

Radiance

From J Massey, Sacred music c1820-40

Hark the skies with music sounds!
Heav'nly glory beams around;
Christ is born, the angels sing,
Glory to the Newborn King.

See that light from yonder star;
Hear of wonder from afar.
Christ is born, the angels sing,
Glory to the Newborn King.

Shepherds come and share this joy
Praise with us the holy boy.
Christ is born, the angels sing,
Glory to the Newborn King.

Wise men too your journey starts,
Spread the news that lifts our hearts.
Christ is born, the angels sing,
Glory to the Newborn King.

All as one be full of cheer
Mankind's saviour, he is here.
Christ is born, the angels sing,
Glory to the Newborn King.
