

May your cup always be full

Ali Burns

May your cup always be full
and may your table always have enough to share
and may your footsteps always be sure
on the road that you travel

We wish you joy, we wish you health
we wish you love, we wish you peace (x2)

We wish you all good things for a happy year ahead
all good things for happy year ahead (x2)

We wish you joy and health and love and peace for
ever,
Joy and health and love and peace of mind.
